

Remarks

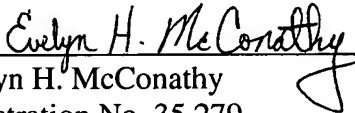

The Examiner has acknowledged that the drawings filed at the time of the original application on December 21, 2001 are acceptable. Applicant makes no changes to the originally submitted drawings. Applicant has amended the specification to clarify that there are only FIGS. 9A through 9D as enclosed in the specification and as indicated by the original submitted drawings. There has never been a FIG 9E or 9F and the entry was simply a typographical error. Several other typographical errors are also now corrected. No new matter is presented.

It is respectfully requested that the amendments to the specification be entered. Should the Examiner have any questions or comments regarding Applicant's amendments or response, the Examiner is asked to contact Applicant's undersigned representative at (215) 988-3361.

If there are any fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 50-0573.

Respectfully submitted,

Dated: June 20, 2005
